

It's your birthday. You are celebrating by having a party with your friends at your favorite place.

How do you feel?

You are getting ready to fly in an airplane for the first time. You're not quite sure what to expect.

How do you feel?

It's time for dinner. What your parents have made smells awful. You've never had this food before and you're not sure if it will be good.

How do you feel?

Your friend has just knocked down the tower you've been building. You spent a lot of time on making it just right.

How do you feel?

You are riding your bike super fast down the street when all of a sudden you hit a bump. You lose your balance and fall off. You come crashing to the ground hard. It hurts when you land, but you are okay.

How do you feel?

Your friend has invited you to come over to his house to play.

How do you feel?

You are working on a drawing a picture. You've taken care to make everything about the picture just right. Then, you accidentally make a mistake. Your picture is ruined.

How do you feel?

You are searching for your favorite shirt in room, but you can't find it anywhere. It's not hanging up in your closet. It's not on the floor. It's not in the dirty clothes or in wash. Where can it be?!

How do you feel?

The person sitting next you picks her nose and eats it. Then, she sneezes everywhere.

How do you feel?

The toy you want to play with is in the dark basement. You don't want to go down there by yourself, but your parents are busy at the moment.
