

# Name Glyph

A glyph is a type of secret code written with pictures or symbols. The colors and patterns we use for each letter in our name has meaning. Use the code to understand more about who we are.

Letter in My Name	What the Code Means
First letter	<u>My age</u> 5: draw <b>black</b> 5s 6: draw <b>green</b> 6s 7: draw <b>blue</b> 7s 8: draw <b>red</b> 8s
Second letter	<u>How many siblings I have</u> Draw one <b>green</b> heart for each of your brothers. Draw one <b>purple</b> heart for each of your sisters. Add <b>yellow</b> hearts if you have no brothers or sisters.
Third letter	<u>Favorite animal</u> Reptile: draw <b>green</b> squiggles Amphibian: draw <b>green</b> triangles Fish: draw <b>blue</b> ovals Mammal: draw <b>orange</b> squares Bird: draw <b>blue</b> Vs Insect: draw <b>black</b> circles Other: draw <b>red</b> circles
Fourth letter	<u>Favorite color</u> Fill in the letter with your favorite color.
Fifth letter	<u>Favorite weather</u> Sun: draw <b>yellow</b> dots Rain: draw <b>blue</b> stripes Snow: draw <b>black</b> dots

If you have more than 5 letters in your name, repeat the pattern starting with the first letter.
